

Disney Alice in Wonderland is the only video game uniquely created for the Nintendo DS™ with gameplay and art design inspired by the Tim Burton movie.

Set 10 years after the original stories, players will journey down the rabbit hole into a whimsical world of immersive exploration, where nothing is quite what it seems. With the help of the White Rabbit, The Cheshire Cat, Caterpillar, the Mad Hatter, players will cross multiple lands, discover unique abilities to help solve challenging puzzles, engage in combat with the Red Queen's army and aid Alice in saving Underland. Filled with imagination, creativity, good vs. evil and a tea party, *Alice in Wonderland* is an adventure filled with fun for kids, teens, tweens and everyone! For more information, log on to www.alicevideogame.com.

Nintendo DS Key Features

- Connect puzzle pieces to link the world levels together and discover new paths
- Combat with a variety of soldiers from the Red Queen's army
- Form a diverse team of engaging characters with unique abilities
- Control time with the White Rabbit (freeze time or moving objects)
- Reverse gravity with the Caterpillar and make objects vanish or appear with the Cheshire Cat
- Journey through the key moments from the movie in a unique DS way
- DGame accessories and unlockable content activated by color with the DSi camera
