Overview:

[Pirates of the Caribbean Online](http://PiratesOnline.com), a massively-multiplayer online game for PC and Macintosh systems, gives you the chance to become part of the action-packed world captured in the Pirates of the Caribbean film franchise. Interact with characters from the films, other Pirates, and new NPCs (non-playing characters) that extend far beyond the movie's current boundaries. Explore new territories, sail the high seas, and become a legendary Pirate in an online world full of action, strategy and role playing. You can experience limited portions of the game for free through the Basic Access option, or for a monthly fee upgrade to Unlimited Access and receive full access to all game content.

Story: *Enter a deep, mysterious world full of unexpected adventures where Pirates of all ages can band together to live their own legend and set sail in search of fame, fortune and fun!*

Explore the world of Captain Jack Sparrow and band together with thousands of other Pirates to defeat a corrupt Royal Navy, the mercenary EITC, and the powerful supernatural forces headed by [Jolly Roger, leader of the Undead](#). In this always-changing, ever-expanding online adventure you will captain your own fighting vessel, forge alliances with other Pirates, hunt for lost treasure, battle undead armies, and use cunning and strategy to outwit your foes – all on a journey to becoming the most legendary Pirate in the Caribbean!

Key Game Features:

- [Create and customize your own Pirate avatar](#) – Choose from millions of combinations to customize your character (colors, clothing, names, etc.). Enhance your pirate tattoos, jewelry, hairstyles, and more!
- [Sail on your Pirate ship](#) – Purchase & captain your own ship and set sail for the adventure of a lifetime.
- [Player-vs-Player Privateering battles](#) – Board ships from specific islands and instantly become part of the infamous French and Spanish Privateering Wars fighting against other Pirates.
- [Build a notorious crew or guild](#) – Band together with others for expanded adventures and added power. Form your own crew for a quick battle against ferocious enemies or join a guild for longer-term strategy.
- [Use advanced weaponry](#) – Jump into epic boss battles with a variety of weapons including; a Cutlass, Pistol, Voodoo Doll, Dagger, Grenades and the powerful Voodoo Staff. Each weapon requires a unique set of skills to master – 89 in all. Improve your reputation and unlock more powerful weapons.
- [Quest for adventure and treasure](#) – Embark on ship & land-based missions, explore lush jungles, volcanic caves, and vast tropical islands. Earn extra loot by hunting for buried treasure and mysterious artifacts.
- [Defeat invading armies](#) – Fight against invasions lead by the evil Jolly Roger himself where undead soliders storm the beach as Pirates ban together to defeat them – or else let the island fall into their boney hands!
- [Join exciting in-game events](#) – Celebrate unique holidays as the game takes on a new look and challenges players with new quests during events such as 'The Curse of the Muertos Moon' where Pirates fight each other under the light of a cursed moon.

- Work your Voodoo Magic – Voodoo magic is used to heal friends, travel from island to island and cast curses on enemies like a weapon.
- Parlor Games – Play BlackJack & Tortuga Hold ‘Em Poker against cagey dealers and other Pirates. It’s the only game in town that encourages pulling cards from your sleeve, in the spirit of Jack Sparrow himself!
- Participate in contests – Win incredible prizes and notoriety among millions of other online Pirates.

Subscription Information:

You can access a limited portion of the online game for free with the option to upgrade at any time to a premium [Unlimited Access subscription](#). Disney Online is offering Unlimited Access subscriptions to new players for a first-monthly fee of \$4.95, continuing with a \$9.95 fee for each additional month. The many benefits of upgrading to Unlimited Access include complete access to advanced weapons and skills, bigger & more powerful ships, customization options including clothing, tattoos, jewelry & hairstyles, advanced quests & storylines and more!
